Summary

I am a Computer Science and Engineering graduate with knowledge of web development, Java, and Python. I have experience building dynamic and responsive web applications using technologies like HTML, CSS, JavaScript, and React. I have also worked with Node.js and Express.js for backend development. I am eager to apply my technical knowledge to real-world projects while continuing to expand my skills in software development.

Education

B.Tech in Computer Science and Engineering *2022 – 2026*
Institute of Technical Education and Research, Bhubaneswar, Odisha
CGPA: 8.51

Higher Secondary Education (12th) *2022*
Army Public School, Delhi Cantt, Delhi
Percentage: 86%

Secondary Education (10th) *2020*
Army Public School, Shankar Vihar, Delhi
Percentage: 87%

Projects

Chat Application *React, Node.js, Express.js*

- Developed a web-based chat application using React for the frontend and Node.js with Express.js for the backend.
- Implemented client-server communication to support messaging functionality.
- Designed a responsive user interface to provide a smooth chatting experience.
- Structured the application into frontend and backend components for maintainability and future enhancements.

Attendance Tracker System *HTML, CSS, JavaScript, Firebase*

- Developed a web-based attendance management system with Firebase authentication for secure user login.
- Integrated Firestore database to store and manage attendance records in real-time.
- Built the frontend using HTML, CSS, and JavaScript, ensuring a smooth and interactive user experience.

Certifications

Certification Program on Cloud and DevOps
Completed a certification course covering essential DevOps practices and cloud computing concepts, including CI/CD pipelines, Terraform, containerization (Docker), and cloud infrastructure management.

Technical Skills

- **Programming Languages:** Java, Python
- **Web Technologies:** HTML, CSS, JavaScript, React
- **Backend Technologies:** Node.js, Express.js
- **Database:** MySQL, Firebase Firestore
- **Operating System:** Linux
